

BEML's initiative in 'Jan Andolan' Campaign on Covid-19'

BEML across all its units took a pledge to follow the guidelines and norms issued in the wake of COVID-19. They also promised to spread awareness among others.

Dr Deepak Kumar Hota, CMD, BEML administered the pledge to BEML Directors, Officers and employees at BEML Corporate Office. He exhorted everyone to be alert and follow the mandatory guidelines: to maintain distance, wear masks, and regularly wash hands. "Our effort is to spread awareness among all who in turn would further pass it on to their families and in the society", he added.

BEML is widely publicizing good health practices by displaying banners and other related information materials and social media platforms are being used to spread awareness about precautionary measures to stay safe & healthy.

Apart from this, BEML implemented the standard operating procedures (SOP) to provide guidelines to eliminate the chain of corona virus and to resume work in its factories and township.
