

The drawing consists of two views of a mechanical part:

- Front View (Left):** A circular part with a central hole. A horizontal section line A-A is indicated by two arrows pointing outwards from the center.
- Section View A-A (Right):** A cross-section of the part. The outer diameter is $\phi 20$. The inner hole has a diameter of $\phi 15 \pm 0.2$. The total width of the part is 19. The section shows a central core with a diameter of $\phi 12 \pm 0.02$ and a thickness of $+0.05$. The core is surrounded by a material with a thickness of $+0.02$. The section is labeled with a 150° angle and a surface finish of 6.3.

SECTION A-A

NOTE:
1. REMOVE SHARP EDGES AND BURRS.
2. TO BE PLATED WITH ZINC.
