19. Determination of Lowest Bidder (L1):-

- 1) **Air Courier Kit (Price Bid Line item Sl. No.: 1 to 25)**
Commercial bids from Sl. No. 1 to 25 will be considered as a single kit and L1 for Air courier will be arrived on the Least Sum total of extended rates of Sl. No. 1 to 25.
- 2) **Surface Courier Kit (Price Bid Line item Sl. No.: 26 to 49)**
Commercial bids from Sl. No. 26 to 49 will be considered as a single kit and L1 for Surface courier will be arrived on the Least Sum total of extended rates of Sl. No. 26 to 49.
- 3) Bidder has to quote for all the line items in the respective kit (Air courier kit or Surface courier kit). In case Bidder is not quoting for all line items in each respective kit (Air courier kit or Surface courier kit) then their tender shall be rejected at any stage of the tender.
- 4) BEML reserves right to accept or reject all tenders or any tender in part or full.
- 5) BEML reserves right to enter into contracts with more than one tenderer for the same route and /or any route and / or all routes for any combination of route or activity with equal distribution.
- 6) Bidder to indicate ODA(Outside Delivery Area) / Non ODA against destinations indicated in tender notice as per Annexure-D and if it is ODA then distance to be indicated from their Nearest Branch Office and the same to be submitted along with Technical Bid(Part B). **If there is no ODA locations for the bidder, then need not submit Annexure-D and need not to quote for ODA charges. In such case ODA charges will be considered as zero for L1 determination.**
- 7) Conversion of Non ODA to ODA will not be permissible during pendency of Contract but vice versa is permissible.
