SECTION-1**Disclaimer**

The information contained in this Expression of Interest (EoI) document provided to the Prospective Collaborator(s), by or on behalf of BEML or any of its employees, advisors, agents etc is provided to the Prospective Collaborator(s) on the terms and conditions set out in this EoI document and all other terms and conditions subject to which such information is provided.

1. The purpose of this document is to provide the Prospective Collaborator(s) with information to assist the formulation of their proposal. This EoI document does not purport to contain all the information each Prospective Collaborator may require and does not by implied or expressed terms and conditions intend to establish an offer to the prospective Collaborator. This EoI document may not be appropriate for all persons/entities, and it is not possible for BEML, its employees or its advisors to consider the business/investment objectives, financial situation and particular needs of Prospective Collaborator who reads or uses this EoI document. The assumptions, assessments, statements and information contained in this EoI may not be complete, accurate, adequate or conclusive. Each Prospective Collaborator should conduct its/their own investigations, due diligence and analysis and should check the accuracy, reliability and completeness of the information in this EoI document and where necessary, obtain independent advice from appropriate sources.
2. BEML, its employees and advisors make no representation or warranty to full completeness or makes any representations, express or implied, in relation to the adequacy or accuracy of the information contained herein and shall incur no liability under any law, statute, rules or regulations as to the accuracy, reliability or completeness of the EoI document.
3. BEML may, in its absolute discretion, but without being under any obligation to do so, modify, amend or supplement the information in this EoI document.
4. BEML reserves the right to not proceed with the EoI, or to alter the timelines reflected herein, or alter its' procedure for the selection of Prospective Collaborator. Even upon

selection of suitable Prospective Collaborator, BEML is not bound to proceed ahead with the Prospective Collaborator and in no case be responsible or liable for any commercial and consequential liabilities in any manner whatsoever.

5. The Prospective Collaborator shall bear all costs associated with or relating to the preparation, business/technical discussion/presentation and submission of response against this EoI. BEML shall in no case be responsible or liable for these costs regardless of the conduct or outcome of the EoI process.
6. Canvassing in any form by the Prospective Collaborator(s) or by any other agency on their behalf shall lead to disqualification of their EoI.
7. Notwithstanding anything contained in this EoI, BEML reserves the right to accept or reject any application and to annul the EoI process and reject all applications, at any time without any liability or any obligation for such acceptance, rejection or annulment and without assigning any reasons, thereof. In the event that BEML rejects or annuls all the applications, it may at its discretion, invite all eligible Prospective Collaborator to submit fresh applications.
8. BEML reserves the right to disqualify any Prospective Collaborator during or after completion of EoI process, if it is found there was a material misrepresentation by any such Prospective Collaborator or the Prospective Collaborator fails to provide within the specified time, supplemental information sought by BEML.
9. BEML reserves the right to verify all statements, information and documents submitted by the Prospective Collaborator in response to the EoI. Any such verification or lack of such verification by BEML shall not relieve the Prospective Collaborator of his obligations or liabilities hereunder nor will it affect any rights of BEML.

SECTION-2**Schedule of EoI process & Contact details****A. Schedule of EoI process**

The schedule of activities during the EoI Process shall be as follows -

Sl. No.	Description	Date
01	Issue of EoI Document	10.08.2026
02	Last date of Submission of EoI response	08.09.2026

B. Contact Details for clarification related to EoI

Mr. Raghuram K,
Asst General Manager – Engg and R&D
Strategic System SBU
BEML Ltd.,
Bangalore, Karnataka, INDIA
Email: raghuram.k@bemltd.in
Mobile: +91-9449077506

C. The response to EoI shall be submitted on or before the EoI closing date (as mentioned above) only through email to bemleoi@bemltd.in . The subject of the email shall mention EoI reference: “CTPAM/EoI/Strategic system/VBMSS/2026/35 dtd 10.08.2026, Response to EoI for Technology tie-up for Vehicle Based Mine Scattering System (VBMSS)”

D. In case of any amendment/ corrigendum to this EoI is issued, it shall be notified only at BEML website (<https://www.bemlindia.in/active-tenders/>).

SECTION-3

ABOUT BEML LIMITED

- a. BEML Limited, a “Schedule - ‘A’” company under the Ministry of Defence (MoD), Government of India, was established in the year 1964. The Company has a state-of-the art, well established and dedicated Research & Development Department, Product Design, Manufacturing Facilities, Assembly Shops for Equipment and Aggregates, Testing facilities etc. The Company is backed with a strong and well experienced skilled manpower in the areas of Defence & Aerospace, Maritime, Mining & Construction and Rail & Metro equipment.
- b. BEML Limited has three business verticals viz., Defence & Aerospace, Rail & Metro and Mining & Construction which are divided into 14 SBUs & 2 Micro Strategic Business Units, with four manufacturing complexes located at Bengaluru, Kolar Gold Fields (KGF), Mysuru and Palakkad. All the manufacturing divisions of BEML Limited have been accredited with ISO 9001 – 2015 and ISO 14001 (HSC) certification. Apart from this, BEML Limited has its own world-class composite R&D establishment for Design & Development of various products.

More details about the entire range of BEML’s products and operations can be viewed by visiting our web site www.bemlindia.in

SECTION-4

Details of Expression of Interest (EoI)

4.1 Introduction:

BEML invites application/response to this Expression of Interest (EoI) from the Prospective Collaborator(s), who are eligible and willing to associate with BEML for Vehicle Based Mine Scattering System (VBMSS), for Indian Defence Services.

4.2 Preamble:

BEML is seeking to collaborate with Prospective Collaborator(s), who is qualified/eligible as per this EOI. The Prospective Collaborator must be an Original Equipment Manufacturer (OEM), with proven technology of VBMSS or similar system/subsystem/equipment fitted on HMV vehicles or having higher specification/ better version of VBMSS than the proposed technical specification detailed in **Annexure-3**. The OEM shall have robust R&D to customise the specification of VBMSS vehicle as necessary meeting Indian customer requirement. The OEM shall be aware of the procurement policies of Indian Army under Buy (Indian–Indigenously Designed Developed and Manufactured) i.e., Buy (Indian-IDDM) category of Defence Acquisition Procedure (DAP)-2020.

The collaboration with such OEMs as described above shall be on long term basis for joint design and development of VBMSS for meeting Indian MoD requirement.

4.3 Scope of Co-operation:

4.3.1 For the specific Tender/RFQ/RFI/RFPs, as the case may be, from Indian MoD, BEML and the Prospective Collaborator shall jointly study the requirement and prepare technical responses. As deemed necessary, commercial aspects also will be discussed on mutual agreeable terms and conditions for participating in the Tender/RFQ/RFI/RFPs.

On technical shortlisting, BEML and collaborator shall offer the customised VBMSS developed jointly to Indian MoD on No-Cost No-Commitment (NC-NC) basis.

Further, on Techno-commercial shortlisting, BEML and collaborator shall start the production activities on mutually agreed terms and conditions and also meet all other contractual obligations.

4.3.2 Post EoI response and selection, BEML and the collaborator shall execute a Non-Disclosure Agreement (NDA).

4.3.3 In order to meet the Tender/RFQ/RFI/RFPs terms and conditions, BEML and the collaborator may enter into MoU/Definitive Agreements to execute the projects with specific workshare for manufacture, assembly, quality control, testing, field installation, commissioning, repair, spare parts & service, maintenance, documentation/manuals along with commercials.

Note:

1.) *Further discussions on co-operation with the prospective Collaborator will be initiated on receipt of Tender/RFI/RFP/RFQ from the customer. This process is for advance preparation only.*

2.) *In-case of multiple OEMs qualifying the EoI, BEML will discuss with all such selected OEMs for each opportunity and enter into MoU/Agreement with only one (01) OEM, who is offering the best techno-commercial proposal for specific products*

4.4 Submission and Process of EoI Evaluation:

4.4.1 The Prospective Collaborator meeting the Pre-qualification requirements (PQR) as specified in clause 4.5 below are invited to submit their response to this EoI.

4.4.2 Upon receipt of response(s) against this EoI, BEML will review the response(s) through a Technical Evaluation Committee (TEC) to ascertain suitability and shortlist Prospective Collaborator for further discussions.

4.4.3 On evaluation, only selected OEMs will be informed about their shortlisting.

4.5 Pre-qualification requirements (PQR)

The Prospective Collaborator shall meet following qualification requirements as on the date of submission of EoI (to be substantiated by a documentary evidence):

4.5.1 The Prospective Collaborator must be an Original Equipment Manufacturer (OEM) of Vehicle Based Mine Scattering System (VBMSS).

4.5.2 Prospective Collaborator must be a registered entity in accordance with the relevant law, with continuous operation as on the date of publication of this EoI.

4.6 Instructions:

4.6.1 The interested Prospective Collaborator(s) should submit their response(s) along with enclosed annexures.

Annexure-1 Indicative Scope of Technology Transfer

Annexure-2 Prospective Collaborator's Experience in the field of VBMSS

Annexure-3 Provisional Technical Specification of VBMSS

Annexure-4 Reference List: The prospective Collaborator's major supplies in last 15 years related to VBMSS/ similar product

Annexure-5 EoI response format

Annexure-6 Certificate as to Authorized signatories

Annexure-7 Declaration by the prospective collaborator regarding any pending litigation, arbitration cases

Annexure-8 Declaration by the prospective collaborator regarding blacklisting

Annexure-9 Certificate for Land Border Sharing

Annexure-10 Declaration for OEM

4.6.2 Language: All correspondences and documents related to the EoI response shall be in English language, provided that any printed literature furnished by the Prospective Collaborator may be written in another language, as long as such literature is accompanied by a translation of its pertinent passages in English language in which case, for purposes of interpretation of the response to the EoI, the English translation shall govern. However, if the translation is found to be incorrect subsequently, BEML will have right to take appropriate action against the Prospective Collaborator as may be deemed fit.

4.6.3 The person signing the response to the EoI should have due written authorization from the Prospective Collaborator to sign the documents and should duly authenticate any errors or corrections in the EoI. Over writing should be avoided. Copies of the credentials/ documents which are to be annexed must be self-attested and bear the signature and seal of the authorized signatory / authorised

representative of the interested Entity/Firm/Company. The interested Entity/Firm/Company will be requested to produce the originals of all information / documents as and when so required by BEML.

4.6.4 Multiple proposals from the same Prospective Collaborator should not be submitted.

4.6.5 BEML at its discretion shall inspect the Prospective Collaborator's works/ office/ reference site premises for the purpose of evaluation, as deemed necessary before selection of Prospective Collaborator. BEML's decision in this regard shall be final.

4.6.6 Any Prospective Collaborator which has been declared insolvent, bankrupted, debarred/blacklisted by Central/State Governments of India or by any entity controlled by Central/State Governments of India from participating in any of their project/tender, as on date of submission of EoI shall not be eligible to submit the EoI.

4.6.7 BEML shall receive responses/applications pursuant to this EoI in accordance with the terms set forth herein, as may be modified, altered, amended and clarified from time to time by BEML and all applications shall be submitted in accordance with such terms on or before the date specified in this EoI for submission of applications.

In case any amendment/corrigendum to this EoI is issued, it shall be notified in BEML Portal which shall form part of this EoI

4.6.8 Restrictions on Prospective Collaborator from a Country which shares a Land Border with India:

- a) Interested Prospective Collaborator from a country which shares a land border with India will be eligible to respond to this EoI only if interested Prospective Collaborator is registered with Competent Authority (Registration Committee constituted by the Department of Promotion of Internal Trade (DPIIT) of Govt. of India). Such registration should be at least valid for the entire period of EoI due date or any extension thereof.

- b) Interested Prospective Collaborator from a country which shares a land border with India means:
- a. An entity incorporated, established or registered in such country sharing a land border with India; or
 - b. A subsidiary of an entity incorporated, established or registered in such country; or
 - c. An entity substantially controlled through entities incorporated, established or registered in such country; or
 - d. An entity whose beneficial owner is situated in such a country; or
 - e. An Indian (or other) agent of such an entity; or
 - f. A natural person who is a citizen of such a country; or
 - g. A consortium or joint venture where any member of the consortium or joint venture falls under any of the above.

4.7 REJECTION: An Expression of Interest is liable to be rejected for any of the following conditions:

- 4.7.1** The Expression of Interest is not accompanied by required documentation and has failed to provide clarifications related thereto, when sought by BEML.
- 4.7.2** Misrepresentation, lack of proper documentation, fraud, coercion, undue influence, canvassing etc., by the prospective collaborator.
- 4.7.3** The Expression of Interest is received after the closing time and date.
- 4.7.4** Any information which would have entitled BEML to reject or disqualify the Prospective Collaborator becomes known to BEML after the Prospective Collaborator has been qualified.

4.8 EoI PROCESS TO BE CONFIDENTIAL:

Information relating to the examination, clarification, evaluation and comparison of EoI and recommendations shall not be disclosed to Prospective Collaborator(s). Any effort by Prospective Collaborator(s) to influence BEML in processing of EoI or selection decisions may result in the rejection of the response against EoI.

4.9 GOVERNING LAWS & JURISDICTION:

The EoI process shall be governed by, and construed in accordance with the laws of India and the Courts at Bangalore (India) shall have exclusive jurisdiction over all disputes arising under, pursuant to and / or in connection with the EoI process.

Foreign entity interested for collaboration with BEML for Vehicle Based Mine Scattering System (VBMSS) must have necessary clearance from their Govt. for Technology Sharing & Collaboration.

Annexure-1

Indicative Scope of Technology Transfer

Sl. No.	Description	Prospective Collaborator's response YES/NO and remarks, if any
a	Agree to provide Licensing / Transfer of state-of-the-art Technology through a ToT agreement, relating to Design, Engineer, Manufacture, Assemble, Test, Supply, Field Install, Commission, Repair, Service and Retrofit Vehicle Based Mine Scattering System (VBMSS) for Indian Army	
b	Agree to Transfer of improvements / modifications / developments/ upgradations to be carried out by the Prospective Collaborator(s) also take care of new market requirements and obsolescence. Subsequent updates required due to component obsolescence or updates implemented by Prospective Collaborator(s) due to safety consideration shall also be provided	
c	Agree to assist in Training, planning & establishing the new manufacturing, assembly and testing facilities & processes / suitable augmentation at BEML Ltd.'s existing facilities / processes by way of expert advice in terms of identifying, sizing & selection and preparation of specification of equipment / machinery required for manufacturing, their layout and foundation etc. Deputation of Collaborator's expert for commissioning of the manufacturing facilities, design of special tools and dies, jigs & fixtures etc.	
d	Agree to Deputation of Collaborator's experts to assist BEML Ltd., in absorbing the technology for licensed products.	
e	Agree to Transfer of applicable Proprietary software / computer programs including logics and source code, if any.	
f	During the field trials and regular operation, if any modifications / updates are carried out to improve the performance / reliability of the system the same shall also be transferred to BEML Ltd., with complete know-how.	

For Prospective Collaborator

**Signature of the Authorized signatory
of the Prospective Collaborator with Seal**

Annexure-2

Prospective Collaborator's Experience in the field of VBMSS

Sl. No	Requirement	**Prospective Collaborator's response YES/NO and remarks, if any
<i>** The Prospective Collaborator shall fill & submit their response / compliance with supporting document / certificate / undertaking letter</i>		
(a)	Whether the Prospective Collaborator is an Original Equipment Manufacturer (OEM) of proposed Vehicle Based Mine Scattering System (VBMSS).	
(b)	Whether documentary evidence to substantiate the below has been submitted by Prospective Collaborator.	
	The Prospective Collaborator should have designed, engineered, manufactured, tested, supplied and commissioned VBMSS (broad technical specifications at Annexure-3) and such equipment should have completed at least three (03) years of service as on date of closing of this Eol.	
(c)	What is your market share for VBMSS globally?	
(d)	Prospective Collaborator shall enclose the annual audited financial reports for last 3 years	
(e)	Prospective Collaborator shall provide latest Vehicle Based Mine Scattering System (VBMSS) technology being marketed.	
(f)	Prospective Collaborator shall provide letters / documentary evidence from end users, for satisfactory operation of Vehicle Based Mine Scattering System (VBMSS)	
(g)	Prospective Collaborator to confirm whether they own the IPRs for the technology being proposed or have an unencumbered right from the owner of the IPRs to sub-license the technology.	
(h)	Acquisition by Indian Defence Services demands indigenous content (IC) of minimum 60% on cost basis of the base contract price. The Prospective Collaborator should agree for co-production in India for meeting or exceeding the IC requirement.	
(i)	Prospective Collaborator should agree to develop the product as per specifications of the RFP/Tender, along with BEML and jointly offer to Indian MoD on No Cost No Commitment (NC-NC) Basis, under mutually agreed terms and conditions.	

For Prospective Collaborator

**Signature of the Authorized signatory
of the Prospective Collaborator with Seal**

Annexure-3
Provisional Technical Specification of Vehicle Base Mine Scattering System (VBMSS)

S. No.	Specifications / Parameters	Response**
** The Prospective Collaborator shall fill & submit their response / compliance with supporting document / certificate / undertaking letter		
1.	VBMSS consists of Dispensing sub system to dispense the mines. Dispensing system will be mounted on a BEML High Mobility Vehicle (HMV). HMV and Dispensing system to have dedicated power supply.	
2.	HMV will be in BEML Scope	
3.	Temperature range: -20 deg C to 45 deg C	
4.	Dispensing system should be modular in design.	
5.	Dispensing system shall be capable of dispensing A/T munitions and A/P munitions meeting standards.	
6.	Dispensing system should have an in-built safety mechanism to prevent accidental launch of munitions.	
7.	Dispensing system should be equipped with reusable pods for rapid re-loading.	
8.	Housing of the pods of dispensing system shall survive STANAG Level 1 protection.	
9.	Controls of Dispensing system should be provided inside the HMV cabin.	
10.	VBMSS system should comply with EMI / EMC MIL Standard.	
11.	Overall Length (Dispensing system including HMV): 10 m Approx.	
12.	Overall width (Dispensing system including HMV): 2.5 m Approx.	
13.	Overall Height (Dispensing system including HMV): 3.5 m Approx.	
14.	Overall weight of Dispensing system: Approx 13-15 ton including racks, pods, Load handling Crane system, A/T munitions, A/P munitions	
15.	Travelling at speed of min. 10 kmph, Dispensing should be capable of laying min 600 or more A/T and A/P munitions without replenishment.	

S. No.	Specifications / Parameters	Response**
<i>** The Prospective Collaborator shall fill & submit their response / compliance with supporting document / certificate / undertaking letter</i>		
16.	Capability to lay mines on each side of HMT beyond min. 20m from either sides of vehicle, upto max. 150 m.	
17.	Minimum crew required to operate the dispensing system: 3 nos.	
18.	Life of the Dispensing system not less than 20 years.	

For Prospective Collaborator

**Signature of the Authorized signatory
of the Prospective Collaborator with Seal**

Desirable Criteria:

Sr. No.	Evaluation Criteria	Response**
** The Prospective Collaborator shall fill & submit their response / compliance with supporting document / certificate / undertaking letter		
(i)	The Prospective Collaborator shall agree to establish manufacturing/assembly, integration and test facilities as per trial directives at their premises and also facilitate test facilities at BEML if required.	
(ii)	Prospective Collaborator willingness to allow BEML to have sole right to market the product/platform in India for Defence applications and export to friendly countries.	
(iii)	The Prospective Collaborator should be willing to share the details about IPRs owned for the technology or has an unencumbered right from the owner of the IPRs to sub-license the technology, if applicable. Where ever development of the product happens with contribution from BEML also, the collaborator shall agree to hold joint IPRs.	
(vi)	The prospective Collaborator should be willing to work with BEML as joint venture / consortium partner to fulfil the requirement of RFPs from Ministry of Defence, Govt. of India if deemed necessary.	

For Prospective Collaborator

**Signature of the Authorized signatory
of the Prospective Collaborator with Seal**

Note:

The Prospective Collaborator shortlisted based on the eligibility criteria may be invited/video conference to make a presentation at a date, time and location notified by BEML. The purpose of the presentation would be to allow the prospective Collaborator to present its solution/methodology, experience, capabilities, infrastructure, and other key points, if any.

Annexure-4

Reference List: The Prospective Collaborator shall furnish a summary of their product reference as detailed below for major supplies in last 15 years

SL No	Name of Country where Vehicle Based Mine Scattering System (VBMSS) / similar product which is working	No. of unit supplied	Year of Supply

Annexure-5

{To be printed and submitted on Prospective Collaborator's official letterhead}

EoI RESPONSE FORMAT

To,
BEML Limited
SR Nagar, Bangalore 560027
E-mail: bemleoi@bemltd.in

Dear Sir,

Ref: Expression of Interest to collaborate with BEML Limited for Notice Inviting Expression of Interest (EoI) for collaboration for Vehicle Based Mine Scattering System (VBMSS)

Having examined the Expression of Interest (EoI) document dated _____, downloaded from the BEML Limited portal. We, the authorised signatories of the Prospective Collaborator, intend to submit the response/proposal to the aforesaid EoI document.

We attach hereto the response/proposal to EoI as required as per the EoI document, which constitutes our response to EoI.

The Primary and Secondary contacts for the prospective Collaborator in respect of the EoI are as under:

Particulars	Primary Contact	Secondary Contact
Name:		
Title:		
Address:		
Phone:		
Mobile:		
Fax:		
E-mail:		

We confirm that the information contained in this response or any part thereof, including its exhibits, and other documents and instruments delivered or to be delivered to BEML Limited are true, accurate, verifiable and complete. This response includes all information necessary to ensure that the statements therein do not in whole or in part mislead BEML Limited in its short-listing process nor suppressed any material facts.

We fully understand and agree that on verification, if any of the information provided herein is found to be false /misleading, at any point of time, our response / proposal is liable to be disqualified / rejected from the selection process or termination of the definitive agreement, if the Prospective Collaborator is selected, besides other action as may be required as per the BEML Limited Purchase Manual, as available in BEML Website.

We agree to the unconditional acceptance of all the terms and conditions set out in the EoI document.

It is hereby confirmed that I / We are entitled and duly authorised to act on behalf of the Prospective Collaborator and empowered and authorised to sign this document as well as such other documents, which may be required in this connection.
