SECTION-1

Disclaimer

The information contained in this Expression of Interest (Eol) document provided to the Prospective Collaborator(s), by or on behalf of BEML or any of its employees, advisors, agents etc. is provided to the Prospective Collaborator(s) on the terms and conditions set out in this Eol document and all other terms and conditions subject to which such information is provided.

1. The purpose of this document is to provide the Prospective Collaborator(s) with information to assist the formulation of their proposal. This Eol document does not purport to contain all the information each Prospective Collaborator may require and does not by implied or expressed terms and conditions intend to establish an offer to the prospective Collaborator. This Eol document may not be appropriate for all persons/entities, and it is not possible for BEML, its employees or its advisors to consider the business/investment objectives, financial situation and particular needs of Prospective Collaborator who reads or uses this Eol document. The assumptions, assessments, statements and information contained in this Eol may not be complete, accurate, adequate or conclusive. Each Prospective Collaborator should conduct its/their own investigations, due diligence and analysis and should check the accuracy, reliability and completeness of the information in this Eol document and where necessary, obtain independent advice from appropriate sources.
2. BEML, its employees and advisors make no representation or warranty to full completeness or makes any representations, express or implied in relation to the adequacy or accuracy of the information contained herein and shall incur no liability under any law, statute, rules or regulations as to the accuracy, reliability or completeness of the Eol document.
3. BEML may, in its absolute discretion, but without being under any obligation to do so, modify, amend or supplement the information in this Eol document.
4. BEML reserves the right to not proceed with the Eol, or to alter the timelines reflected herein, or alter its' procedure for the selection of Prospective Collaborator. Even upon

selection of suitable Prospective Collaborator, BEML is not bound to proceed ahead with the Prospective Collaborator and in no case be responsible or liable for any commercial and consequential liabilities in any manner whatsoever.

5. The Prospective Collaborator(s) shall bear all costs associated with or relating to the preparation, business/ technical discussion/presentation and submission of response against this EoI. BEML shall in no case be responsible or liable for these costs regardless of the conduct or outcome of the EoI process.
6. Canvassing in any form by the Prospective Collaborator(s) or by any other agency on their behalf shall lead to disqualification of their EoI.
7. Notwithstanding anything contained in this EoI, BEML reserves the right to accept or reject any application and to annul the EoI process and reject all applications, at any time without any liability or any obligation for such acceptance, rejection or annulment and without assigning any reasons, thereof. In the event that BEML rejects or annuls all the applications, it may at its discretion, invite all eligible Prospective Collaborators to submit fresh applications.
8. BEML reserves the right to disqualify any Prospective Collaborator during or after completion of EoI process, if it is found there was a material misrepresentation by any such Prospective Collaborator or the Prospective Collaborator fails to provide within the specified time, supplemental information sought by BEML.
9. BEML reserves the right to verify all statements, information and documents submitted by the Prospective Collaborator in response to the EoI. Any such verification or lack of such verification by BEML shall not relieve the Prospective Collaborator of his obligations or liabilities hereunder nor will it affect any rights of BEML.

SECTION-2

Schedule of Eol process & Contact details

Apart from this, BEML Limited has its own world-class composite R&D establishment for Design & Development of various products.

More details about the entire range of BEML’s products and operations can be viewed by visiting our web site www.bemlindia.in

SECTION-4

Details of Expression of Interest (EoI)

4.1 Introduction:

BEML invites application/response to this Expression of Interest (EoI) from the Prospective Collaborator(s), who are eligible as per **Annexure-1** and willing to associate with BEML for technology tie up for design, development and manufacturing of Airships.

4.2 Preamble:

BEML is seeking to collaborate with Collaborator(s) who is an Original Equipment Manufacturer (OEM) having proven technology on Airships, having equal or higher specification than the proposed technical specification detailed in **Annexure-2**. The OEM shall be able to customise the specification of Airships, as necessary meeting potential customer requirement.

The collaboration with such OEMs as described above shall be on long term association to design and develop Airships meeting potential customer requirement.

4.3 Scope of Co-operation:

4.3.1 For the specific RFI (Request for Information)/RFPs (Request for Proposals) from Customer, BEML and the Prospective Collaborator shall jointly study the requirement and prepare technical responses. As deemed necessary, commercial aspects also will be discussed on mutual agreeable terms and conditions for participating in the tender/RFP.

4.3.2 In order to meet the RFP/RFQ terms and conditions, BEML and the collaborator may enter into Teaming / Memorandum of Agreement /Definitive Agreement to execute the projects with specific workshare for manufacture, assembly, quality control, testing, field installation, commissioning, repair, spare parts & service, maintenance, documentation/manuals along with commercials.

Note:

1.) *Further discussions on co-operation with the prospective Collaborator/ Collaborators will be initiated on receipt of RFP/RFQ from the customer. This process is for advance preparation only.*

2) *In case of multiple OEMs qualifying the EoI, BEML will discuss with all such selected OEMs. BEML may proceed with OEM which offers the best techno-commercial proposal and may enter into MoU/Agreement such OEM.*

3) *The condition of prior turnover and prior experience may be relaxed as per General Financial Rules (GFR) Rule 173 (i), for **DPIIT (Department for Promotion of Industry and Internal Trade) India - recognized Startups (as defined by Department of Industrial Policy and Promotion)** subject to meeting of quality & technical requirements of the EoI.*

4.4 Submission and Process of EoI Evaluation:

4.4.1 The Prospective Collaborator meeting the Pre-qualification requirements (PQR) as specified in clause 4.5 below are invited to submit their response to this EoI.

4.4.2 Upon receipt of response(s) against this EoI, BEML will review the response(s) through a Technical Evaluation Committee (TEC) to ascertain suitability and shortlist Prospective Collaborator for further discussions.

4.4.3 On evaluation, only selected OEMs will be informed about their shortlisting.

4.5 Pre-qualification requirements (PQR)

The Prospective Collaborator shall meet following qualification requirements as on the date of submission of EoI (to be substantiated by a documentary evidence):

4.5.1 The Prospective Collaborator must be an Original Equipment Manufacturer (OEM) of Airships and must be a registered entity in accordance with the law with continuous operation as on the date of publication of this EoI.

4.5.2 Only the OEM of Airship shall be eligible to respond to this EoI. Dealers, distributors, agents, authorized representatives, resellers, or any other intermediary/ representative company purporting to act for or on behalf of an OEM shall not be eligible to submit a response to this EoI, whether independently or jointly with OEM. Any response received from such an intermediary shall be summarily rejected.

4.6 Instructions:

4.6.1 The interested Prospective Collaborator(s) should submit their response(s) along with enclosed annexures.

Annexure-1	Eligibility Criterion
Annexure-2	Technical Specification and response for Airships
Annexure-3	Reference List: The prospective Collaborator's major supplies in last 3 years including current supplies related to Airships
Annexure-4	Eol response format
Annexure-5	Certificate as to Authorized signatories
Annexure-6	Declaration by the prospective collaborator regarding any pending litigation, arbitration cases
Annexure-7	Declaration by the prospective collaborator regarding blacklisting
Annexure-8	Certificate for Land Border Sharing
Annexure-9	Declaration for OEM

4.6.2 Language: All correspondences and documents related to the Eol response shall be in English language, provided that any printed literature furnished by the Prospective Collaborator may be written in another language, as long as such literature is accompanied by a translation of its pertinent passages in English language in which case, for purposes of interpretation of the response to the Eol, the English translation shall govern. However, if the translation is found to be incorrect subsequently, BEML will have right to take appropriate action against the Prospective Collaborator as may be deemed fit.

4.6.3 The person signing the response to the Eol should have due written authorization from the Prospective Collaborator to sign the documents and should duly authenticate any errors or corrections in the Eol. Over writing should be avoided. Copies of the credentials/ documents which are to be annexed must be self-attested and bear the signature and seal of the authorized signatory / authorised representative of the interested Entity/Firm/Company. The interested

Entity/Firm/Company will be requested to produce the originals of all information / documents as and when so required by BEML.

4.6.4 Multiple proposals from the same Prospective Collaborator should not be submitted.

4.6.5 BEML at its discretion shall inspect the Prospective Collaborator's works/office/reference site premises for the purpose of evaluation, as deemed necessary before selection of Prospective Collaborator. BEML's decision in this regard shall be final.

4.6.6 Any Prospective Collaborator which has been declared insolvent, bankrupted, debarred/blacklisted by Central/State Governments of India or by any entity controlled by Central/State Governments of India from participating in any of their project/tender, as on date of submission of Eol, shall not be eligible to submit the Eol.

4.6.7 BEML shall receive applications pursuant to this Eol in accordance with the terms set forth herein, as may be modified, altered, amended and clarified from time to time by BEML and all applications shall be submitted in accordance with such terms on or before the date specified in this Eol for submission of applications.

In case any amendment/corrigendum to this Eol is issued, it shall be notified in BEML Portal which shall form part of this Eol.

4.6.8 Restrictions on Prospective Collaborator from a Country which shares a Land Border with India:

- a) Interested Prospective Collaborator from a country which shares a land border with India will be eligible to respond to this Eol only if interested Prospective Collaborator is registered with Competent Authority (Registration Committee constituted by the Department of Promotion of Internal Trade (DPIIT) of Govt. of India). Such registration should be at least valid for the entire period of Eol due date or any extension thereof.

b) Interested Prospective Collaborator from a country which shares a land border with India means:

- a) An entity incorporated, established or registered in such country; or
- b) A subsidiary of an entity incorporated, established or registered in such country; or
- c) An entity substantially controlled through entities incorporated, established or registered in such country; or
- d) An entity whose beneficial owner is situated in such a country; or
- e) An Indian (or other) agent of such an entity; or
- f) A natural person who is a citizen of such a country; or
- g) A consortium or joint venture where any member of the consortium or joint venture falls under any of the above.

4.7 REJECTION: An Expression of Interest is liable to be rejected for any of the following conditions:

4.7.1 The Expression of Interest is not accompanied by required documentation and has failed to provide clarifications related thereto, when sought by BEML.

4.7.2 Misrepresentation, lack of proper documentation, fraud, coercion, undue influence, canvassing etc., by the prospective collaborator.

4.7.3 The Expression of Interest is received after the closing time and date.

4.7.4 Any information which would have entitled BEML to reject or disqualify the Prospective Collaborator becomes known to BEML after the Prospective Collaborator has been qualified.

4.8 PROCESS TO BE CONFIDENTIAL:

Information relating to the examination, clarification, evaluation and comparison of EoI and recommendations shall not be disclosed to Prospective Collaborator(s). Any effort by Prospective Collaborator(s) to influence BEML in processing of EoI or selection decisions may result in the rejection of the response against EoI.

4.9 GOVERNING LAWS & JURISDICTION:

The Eol process shall be governed by, and construed in accordance with the laws of India and the Courts at Bangalore (India) shall have exclusive jurisdiction over all disputes arising under, pursuant to and / or in connection with the Eol process.

Foreign entity interested for collaboration with BEML for Airships must have necessary clearance from their Govt. for Technology Sharing & Collaboration.
