

SWACHHTA SPECIAL CAMPAIGN 3.0

BEML Limited, a Public Sector Undertaking under Ministry of Defence has launched Special Campaign 3.0 with a focus on Swachhata and reducing pendency. Special attention is given to Field / outstation offices and implementation of the activities such as cleanliness drive, disposal of scrap etc.

BEML identified the places and areas to clean, replacement of old furniture, identification of scrap and its disposal, implementation of record management through E-portal. E-wastes from various offices were also identified and disposed of.

A large amount of scrap was identified for disposal during this campaign. The freed-up space from scrap & waste disposal is being used for various purposes like parking, workplace arrangements, storage, plantation thus leading to wide and spacious passages etc.

Apart from this, BEML also took up cleaning of general public places like Bus Stand, Parks and other Public areas in the vicinity of BEML offices.

Special Campaign 3.0 reinforced the importance of timely disposal of references and thereby leading to a cleaner work space and ease of living.
