BEML Drives Sustainable Healthcare with Electric Vehicle Donation to AIIMS Delhi under CSR vision

March 07, 2025 | New Delhi – Reinforcing its commitment to sustainable mobility and community welfare, BEML Limited, a premier defence and aerospace company under the Ministry of Defence, has donated electric vehicles to All India Institute of Medical Sciences (AIIMS) Delhi. In a formal handover ceremony, Shri Shantanu Roy, CMD, BEML Ltd., presented the vehicle keys to Dr. M. Srinivas, Director, AIIMS, in the presence of senior AIIMS doctors and BEML's functional directors at AIIMS campus. This initiative is designed to enhance patient transportation within the hospital campus, ensuring seamless, eco-friendly mobility for those in need.

This initiative is aimed at enhancing patient transportation within the hospital campus, ensuring seamless and eco-friendly mobility for those in need.

As part of its Corporate Social Responsibility (CSR) efforts, BEML's contribution aligns with its vision of sustainable innovation, reducing the carbon footprint in healthcare facilities while prioritizing patient comfort and accessibility. The newly deployed electric vehicles will significantly aid senior citizens and patients with mobility challenges, enabling efficient and effortless movement across the AIIMS campus.

Reaffirming BEML's commitment to social responsibility, **Shri Shantanu Roy, CMD of BEML Ltd** stated: *"At BEML, we believe that innovation and sustainability must go hand in hand. Our CSR initiatives are driven by the vision of making a real difference in communities. This contribution to AIIMS Delhi is a testament to our commitment to enabling cleaner, greener, and more inclusive mobility solutions in critical public spaces. We will continue to leverage technology and expertise to drive positive social and environmental impact."*

Appreciating this initiative, AIIMS Delhi officials emphasized its transformative impact on patient care and hospital logistics. Beyond this initiative, BEML remains deeply engaged in CSR programs, focusing on education, skill development, healthcare, community upliftment, the rehabilitation of specially-abled individuals, hunger and malnutrition eradication, afforestation, sanitation, and clean drinking water accessibility.

Aligned with the Government of India's Swachh Bharat Mission, BEML actively supports sanitation and hygiene programs, promoting a healthier and more sustainable environment. A significant portion of its CSR efforts is directed towards backward districts, ensuring the upliftment of underprivileged communities and fostering inclusive growth and development.

With a steadfast commitment to sustainability and social impact, BEML continues to set new benchmarks in corporate leadership, integrating cutting-edge technology, environmental stewardship, and community welfare into its core values.

About BEML

BEML Limited, a leading multi-technology 'Schedule A' company under the Ministry of Defence, plays a pivotal role in serving India's core sectors, including Defence, Rail, Power, Mining, and Construction, by offering world-class products. BEML operates in three verticals: Defence & Aerospace, Mining & Construction, and Rail & Metro. It has state-of-the-art manufacturing facilities located in Bengaluru, Kolar Gold Fields (KGF), Mysore, and Palakkad, with a strong R&D infrastructure and a nationwide sales and service network. With a legacy spanning six decades, BEML is a committed player in manufacturing earthmoving, transportation, and construction equipment, driving excellence and innovation.
