BEML Ltd Shines with Gold at EEPC India Quality Awards 2025

September 08, 2025 | Delhi – BEML Limited, a leading Defence Public Sector Undertaking under the Ministry of Defence, has once again brought pride to the nation by winning the Gold Award in the PSU category at the prestigious 5th edition of the EEPC India Quality Awards, held as part of EEPC India's Platinum Jubilee Celebrations at the iconic Vigyan Bhawan, New Delhi.

The award was presented to Shri Shantanu Roy, Chairman & Managing Director, BEML Ltd, by Shri Piyush Goyal, Hon'ble Minister of Commerce & Industry, Government of India, in the presence of Shri Jitin Prasada, Hon'ble Minister of State for Commerce & Industry and Electronics & IT, Government of India, during a grand ceremony attended by industry leaders, policymakers, and distinguished dignitaries.

Securing this recognition for the second consecutive year stands as a strong testament to BEML's unwavering focus on quality, innovation, and operational excellence. It reflects the organization's steadfast commitment to maintaining world-class standards across its diverse portfolio in Defence, Rail, Aerospace, and Mining & Construction, while reinforcing its role as a trusted partner in India's growth journey.

At BEML, quality is not just a parameter but a deeply embedded culture that drives every stage of design, development, and production. Every product—be it in Defence, Rail, Aerospace, or Mining—is engineered with rigorous adherence to global standards, ensuring reliability, safety, and performance. Guided by a philosophy of *"quality at any cost,"* BEML fosters a work culture where innovation is matched with uncompromising quality checks, making excellence a non-negotiable commitment.

About BEML : BEML Limited, a leading multi-technology 'Schedule A' company under the Ministry of Defence, plays a pivotal role in serving India's core sectors, including Defence, Rail, Mining, and Construction, by offering world-class products. BEML operates in three verticals: Defence & Aerospace, Mining & Construction, and Rail & Metro. It has state-of-the-art manufacturing facilities located in Bengaluru, Kolar Gold Fields (KGF), Mysore, and Palakkad, with a strong R&D infrastructure and a nationwide sales and service network. With a legacy spanning six decades, BEML is a committed player in manufacturing earthmoving, transportation, and construction equipment, driving excellence and innovation.
