

Vendor Registration Procedure

Vendor Registration procedure is applicable for Manufacturers established in India for supply of Project Items*, off-loading activities (material supplied by BEML for further operations like Machining, Heat Treatment, Plating etc.,) and Traders who are sole/authorised representatives of reputed OEMs for Project items*.

*Project Item means those Parts / Materials required for manufacturing BEML Equipment.

Prerequisite for Registration :

1) Mandatory Certification Requirements (Not applicable for Traders):

- a) ISO 9001/ AS 9100D / IATF 16949 or any other equivalent QMS Certification
- b) ISO 14001
- c) ISO 45001

Vendors can register on Vendor Registration Portal (<https://onlinevr.bemlindia.in>) by filling their organization details along with the below supporting documents.

- 1) Company Profile
- 2) Product Brochure
- 3) Certifications
- 4) Company / Product Video
- 5) Item offered to BEML

Upon submission of the above details, BEML team will scrutinize the Request for registration and activate the link for filling the vendor registration application form based on the requirement.

Vendor can login to complete the detailed Vendor Registration form by submitting the relevant details along with supporting documents.

Upon completing the submission of application form, Vendor has to download the filled-in application form and upload the duly signed copy on the portal itself.

Upon receipt of application form, the details will be reviewed by BEML and any missing information will be sought through the portal.

Further, BEML Team will visit the Vendor for assessment of manufacturing capability & quality systems.

Post Qualification upon assessment, Vendor has to submit DD of Rs. **10,000/- (Rupees Ten Thousand only) by crossed DEMAND DRAFT (Non-refundable) in favour of BEML LIMITED, payable at Bangalore towards Assessment / Processing fee.**

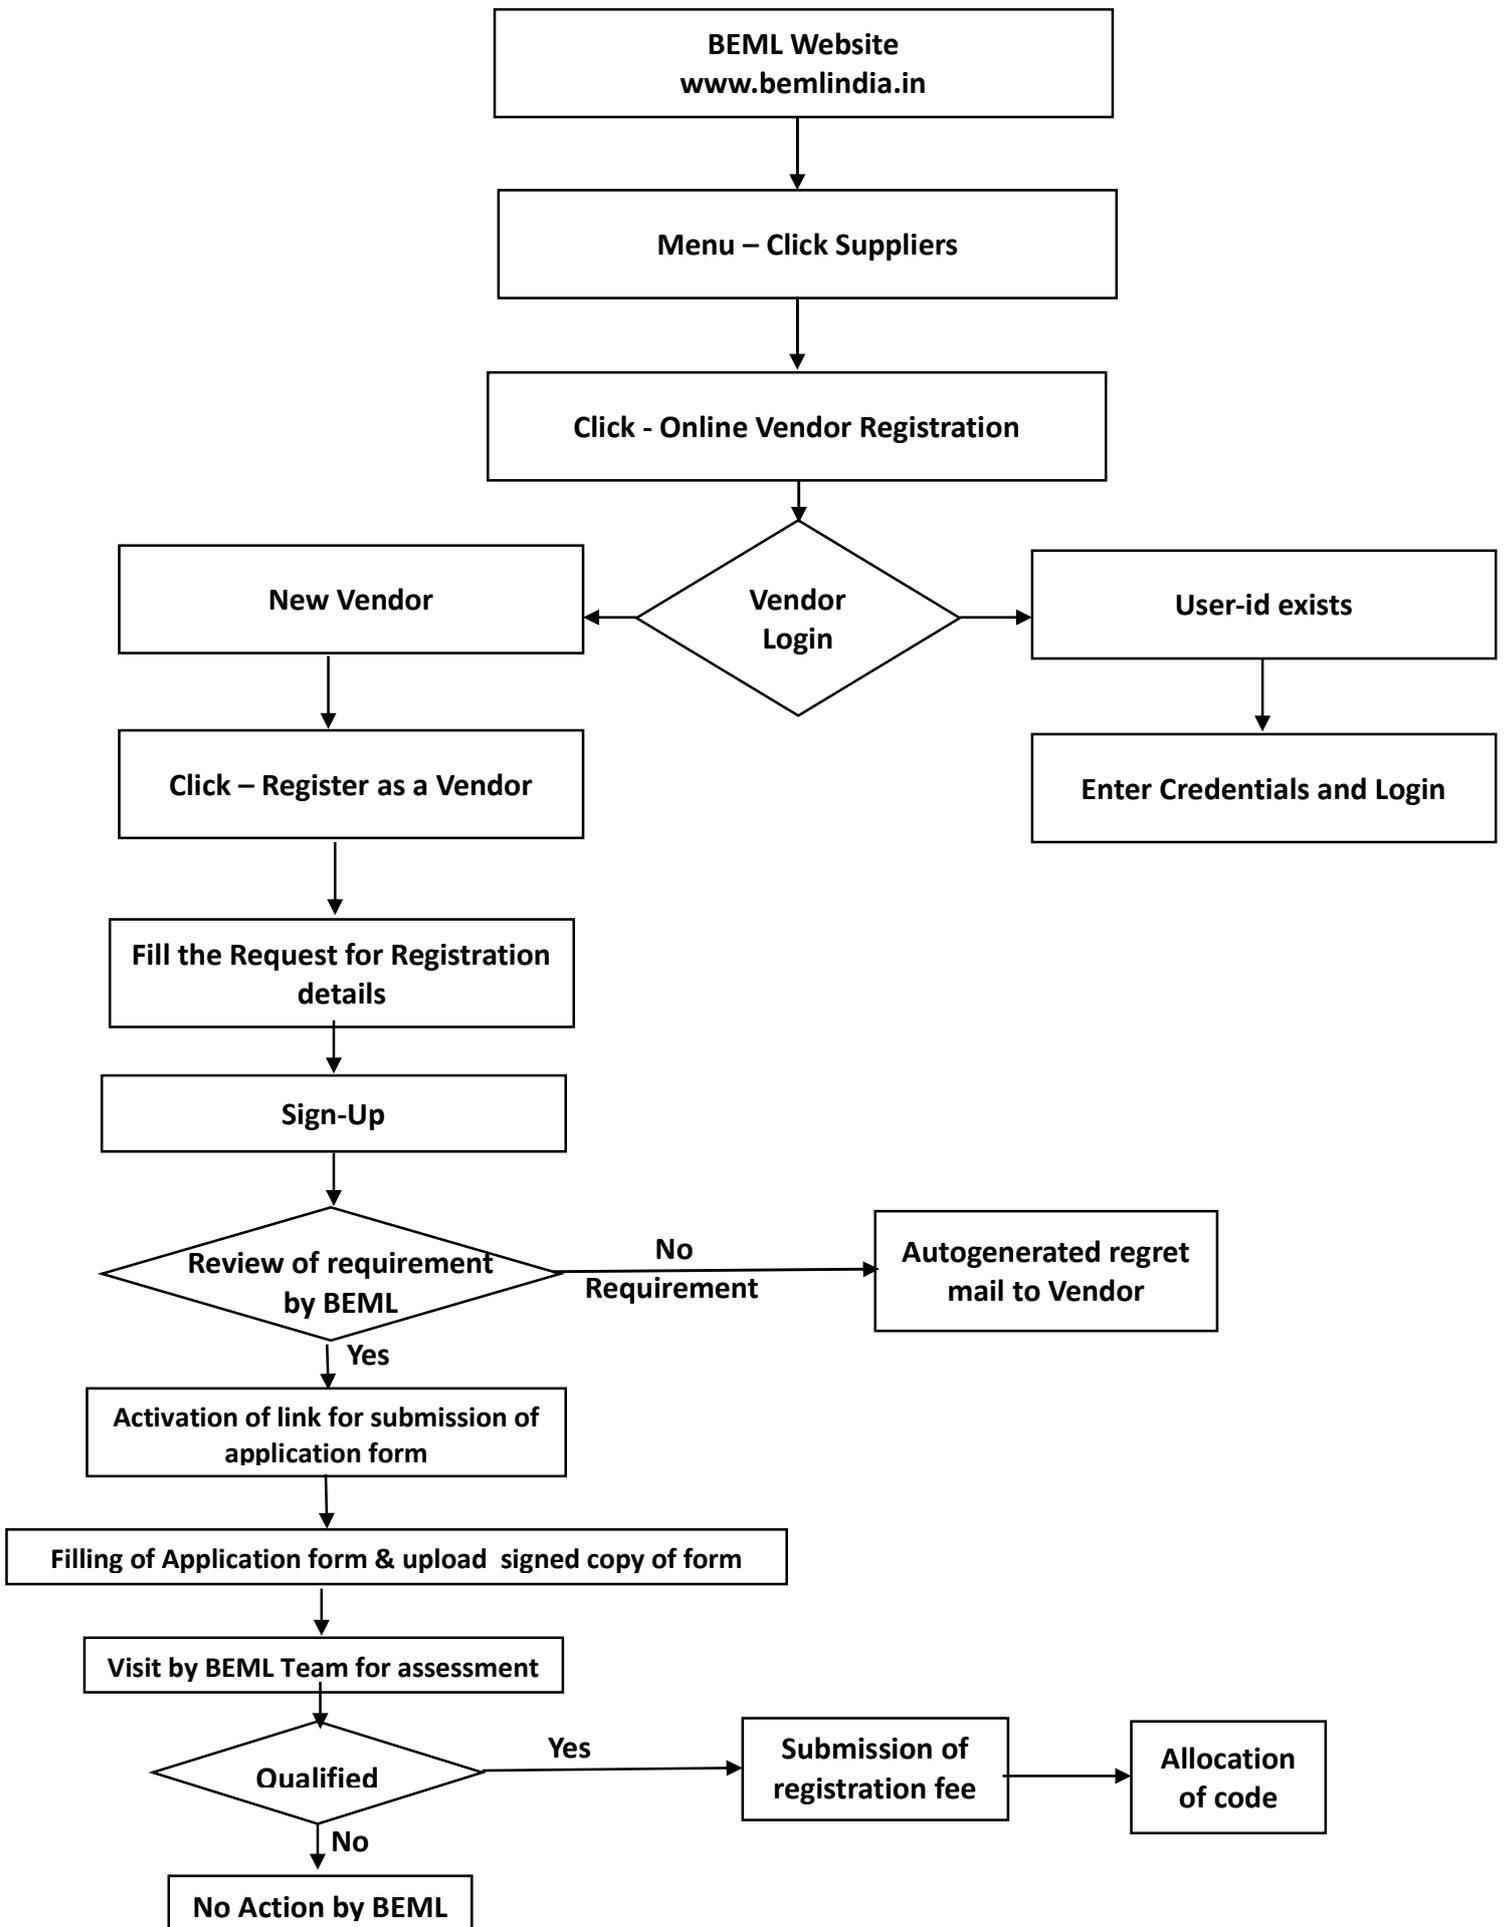

BEML will allocate Vendor Code to the qualified vendors and communicate to the same to them.

In case of no requirement in your field of operation, Vendors will receive an autogenerated regret mail after 30 days. However, the details shall be saved in the database for future requirement.

Vendors may also reach out to any of the Materials Department listed below to check for current requirements.
