BEML Wins Six Honours at the 4th Edition of the Business Innovation Awards 2026

Bengaluru, July 17, 2026: BEML Limited, a leading Defence Public Sector Undertaking under the Ministry of Defence, has been conferred with six prestigious honours at the 4th Edition of the Business Innovation Awards 2026, held in Bengaluru, reaffirming the Company's leadership in innovation, organisational excellence, infrastructure development, workplace culture, and corporate communications.

The Company was recognised in the following categories:

- Visionary Public Sector Leader of the Year – Shri Shantanu Roy, CMD
- Best Performing PSU of the Year
- Best Public Sector Workplace Culture
- Infrastructure PSU of the Year
- Public Sector Innovation Excellence Award
- Public Sector Marketing & Communication

The awards were received by BEML's senior leadership team on behalf of the Company. Shri Anil Jerath, Director (Finance), received the Visionary Public Sector Leader of the Year award on behalf of Shri Shantanu Roy, Chairman & Managing Director, and also accepted the Best Performing PSU of the Year award. Shri Debi Prasad Satpathy, Director (Human Resources), received the Best Public Sector Workplace Culture award, while Shri Sanjay Som, Director (Mining & Construction), accepted the Infrastructure PSU of the Year award. Shri Om Prakash Singh, Executive Director (Rail & Metro), received the Public Sector Innovation Excellence Award, and Shri Tapash Talukdar, Head – CC, received the Public Sector Marketing & Communication award.

The recognitions coincide with a landmark year for BEML. In FY 2025–26, the Company achieved its highest-ever annual turnover, highest investment in Research & Development, highest order book, and highest capital expenditure. During the year, BEML delivered India's first Vande Bharat Sleeper trainset and indigenously developed India's first all-electric BRS21 Rope Shovel, underscoring its commitment to innovation, indigenous manufacturing, and the vision of Aatmanirbhar Bharat. Alongside these achievements, BEML continued to foster an innovation-driven workplace, strengthen its talent pool, and further reinforce its position as one of India's leading diversified engineering brands.

reflects our commitment to innovation, indigenisation, and environmental stewardship. As the industry transitions towards cleaner technologies, BEML is well-positioned to lead this shift by delivering high-performance, zero-emission solutions aligned with global standards.”

With this launch, BEML further strengthens its position as a leader in mining and construction equipment, while contributing to India's vision of sustainable industrial growth and self-reliance.

About BEML Limited:

BEML Limited, a leading multi-technology 'Schedule A' company under the Ministry of Defence, plays a pivotal role in serving India's core sectors, including Defence, Rail, Mining, and Construction, by offering world-class products. BEML operates in three verticals: Defence & Aerospace, Mining & Construction, and Rail & Metro. It has state-of-the-art manufacturing facilities located in Bengaluru, Kolar Gold Fields (KGF), Mysore, and Palakkad, with a strong R&D infrastructure and a nationwide sales and service network. With a legacy spanning six decades, BEML is a committed player in manufacturing earthmoving, transportation, and construction equipment, driving excellence and innovation.
