

# BEML bags orders from Bangladesh, Cameroon for construction equipment

*To supply construction equipment; a boost for exports under 'Make in India'*

By **AUTOMOTIVE LEAD BUREAU** - March 17, 2021

## **BEML Limited has received export orders from Cameroon and Bangladesh under Government of India-Lines of credit.**

According to the 'Schedule A' company under the Ministry of Defence (MoD), the order for Cameroon has been received from Ministry of Economy, Planning & Regional Development (MOEPRD), Government of Cameroon.

The order is for supply of 71 units of construction equipment consisting of Bulldozers, Excavators, Wheel Loaders, Motor graders and Compactors for their Cassava Farm Project.

As far as the order for Bangladesh is concerned, it has been received from Ministry of Roads & Highways Department, Government of Bangladesh.

It is for supply of construction equipment consisting of Wheel Dozer for their construction, Repair and Maintenance of Road and Infrastructure projects in Bangladesh.

These equipment, valuing at around USD 23 million, will be having more than 90 per cent indigenous content and will be made at BEML's KGF and Mysore plants in Karnataka signifying the true spirit of 'Atmanirbhar Bharat' with thrust on going global.

### **India's core sectors**

A multi-technology company, BEML Ltd plays a pivotal role in serving India's core sectors like Defence, Rail, Power, Mining and Construction by offering world class products.

BEML operates in three verticals and they are: Defence & Aerospace, Mining & Construction and Rail & Metro.

The company has state-of-the-art manufacturing facilities located at Bangalore, Kolar Gold Fields (KGF), Mysore, Palakkad.

BEML has very strong research and development infrastructure with a nationwide network of sales and services.
