BEML LIMITED

**DISPOSING OF SCRAP MATERIAL IN
THE FACTORY PREMISES AND
STORAGE IN ORGANISED MANNER.**

DAY 2 : DISPOSING OF SCRAP MATERIAL IN THE FACTORY PREMISES AND STORAGE IN ORGANISED MANNER.

The second day of the Swachhta Pakhwada, disposing of the scrap material in the factory premises was done at our Subsidiary Unit Vignyan Industries Limited (VIL), Tarikere.

Recycling of scrap materials can conserve valuable natural resources & raw materials, avoid environment pollution.

The team at our subsidiary Unit VIL, Tarikere lead by the Head of the unit Shri. Ramesh Babu, segregated the scrap material in the factory premises into various categories. Organised the materials in the scrap yard for disposal to Authorised Agencies for recycling of the materials.
