

## Myanmar Railway Minister Team visits BEML

A five-member high level Myanmar Railway team led by Mr. U. Aung Myaing, Dy. Minister, Transport & Communications, Myanmar visited BEML, Bangalore Complex.

Accompanied by Shri Amit Banerjee, CMD-BEML, delegation went around the Rail & Metro manufacturing facilities and had a detailed discussion with BEML on the future development of Myanmar Railways. They showed keen interest in BEML Rolling stocks viz. Electrical Multiple Units, Diesel Multiple Units, Direct Electrical Multiple Units and Metro Cars.

Expressing their happiness over the Rail & Metro manufacturing facilities available at BEML, Bangalore, Mr. Myaing said, "BEML's name is known for its products and Myanmar is looking forward to explore opportunities with BEML on its Rail products." Shri Amit Banerjee, CMD-BEML assured them that the company will provide full support and assistance in this endeavor.
