Special Conditions arising out of Implementation of GST

(To be signed and submitted along with the Technical bid)

Tax Indemnity clause

1. The supplier of Goods / Services shall comply with all the procedural requirements and relevant provisions under GST Law so as to enable BEML Limited (BEML) to avail Input Tax Credit (ITC) in a timely manner. BEML has the right to recover tax loss along with consequential interest and penalty suffered by BEML due to any non-compliance of tax laws by the supplier. Any GST liability arising on the supplier on account of loss of GST credits for reasons such as failure of the supplier to provide the details for raising invoice with necessary particulars, delay in payment of consideration beyond stipulated time period and the interest thereon would be on the suppliers themselves and BEML shall not be liable to compensate the same.
2. The supplier shall ensure that the Taxes which have been collected / with-held on behalf of BEML have been duly paid / will be paid to the Government account within the due dates specified under various Tax Laws in India and Rules made there under. It may please be noted that if BEML is not able to avail any tax credit due to any short coming on the part of the supplier (which otherwise should have been available to BEML in the normal course), then the supplier at his own cost and effort will get the short coming rectified. If for any reason the same is not possible, then the supplier will make 'good' the loss suffered by BEML due to the tax credit it lost in that transaction.
3. Under the GST law, any economic or tax benefit arising out of the implementation of GST is mandatory and required to be passed on to BEML by the supplier. Similarly, the benefits enjoyed by the supplier and the other players in the supply chain or also required to be passed on to the supplier by them, which in turn shall be passed onto BEML by way of price reductions. The suppliers shall Indemnify BEML against any direct or indirect loss arising out of not passing on the aforesaid benefits. As responsible suppliers of BEML, the responsibility to pass on the above benefits vests with the supplier and BEML reserve the right to seek the manner in which such benefits is passed on to BEML.
4. Any amount paid to the suppliers including job-workers / sub-contractors shall be first attributable to the GST Tax charged in the invoice and the balance shall be considered towards the 'value' of supply of goods / services.
5. Timely provision of Invoices / Debit Note / Credit Note: The supplier has to timely provide Invoice /Debit Note / Credit Note to enable BEML to claim tax benefit on or before stipulated time period as per GST law. All necessary adjustment entries (Credit Note, Purchase Returns, and Debit Notes) shall be made before September of succeeding Financial Year.
6. HSN for goods shall be specifically included to avoid disagreement on classification at a later stage.
7. BEML shall identify the Place of supply to enable to avail the GST credit at right location.

8. Advance payment if any made before supply of goods / services or rising of invoices, would attract GST. In case of receipt of advance, the supplier undertakes to raise the necessary statutory

document. Further the supplier declares to raise the prescribed documentation governing the movement of goods.

9. Any known discount shall from part of terms of the agreement to enable Supplier / BEML to claim tax adjustment.
10. THREE copies of the Invoices are mandatory and need to be provided by the suppliers and wherever the law requires, an Electronic Reference Number for each Invoice should be provided. Further, the Invoices for supplies shall clearly bear GSTIN No / UID No along with purchase order number and date accompanied by dispatch advice and date of packing list.
11. Wherever applicable, BEML has the right to deduct "Tax deducted at source" at the rate prescribed under the GST law and remit the same to the Government of India.
12. Any local levies and or other charges levied by any Central /State / Local authorities wherever applicable shall be extra and supplier shall be liable to discharge the same.
13. The supplier shall be responsible to issue documents required for movement of goods and the logistic partner shall not be liable for any loss arising due to confiscation of goods by government agencies on account of lack of proper documents, deficiencies in documentation or any wrong declaration.
14. Any Liability arising out of dispute on the Tax structure, computation, payment to the Government and filing of returns will be to the suppliers account.
15. Where the supply of goods / services are liable to GST under reverse charge mechanism, then the supplier should clearly mention the category under which it has been registered and also that "the liability of payment of GST is on the Recipient of service".
16. The invoice should be clearly specified with abatement, if any claimed or otherwise from the Taxable value, while calculating the GST.
17. The Bid evaluation will include but not limited to 'GST Compliance rating' when introduced and operational by GSTN. The Purchase Order shall be void, if at any point of time the supplier is found to be a blacklisted dealer as per GSTN rating system and further no payment shall be entertained.
