PRE BID AGREEMENT**(To be executed on Rs.200/- Non-Judicial Stamp Paper or as per state stamp law)**

This Agreement is Made and executed in this day of _____ by and between (1) M/s _____ (The first Part hereinafter referred to as BIDDER which expression shall include its successors, administrations, executors and permitted assigns) a company incorporated under the company's Act 1956 having its registered office at _____ and (2) M/s _____ (The Second Part hereinafter referred to as ASSOCIATE or ASSOCIATES and shall include its successors, administrations, executors and permitted assigns), a company incorporated under the company's Act 1956 having its registered office at - _____

WHEREAS M/s BEML Limited., A Government of India Undertaking, has issued a Notice Inviting Tender no. _____ dated _____ inviting bids for undertaking the work of _____ at _____ (herein after referred to as the said work);

WHEREAS, the said NIT enables a BIDDER to pool his and his ASSOCIATES' resources & experience to match the requirements of the NIT and for execution of the contract;

AND WHEREAS, the BIDDER does not have the qualification in isolation to match the requirement of the tender but can meet the same by pooling in the resources and experience of his ASSOCIATE or ASSOCIATES;

AND WHEREAS, the BIDDER is willing to utilize the resources and experience of the ASSOCIATES for the purpose of bidding, and executing the contract if awarded;

AND WHEREAS, the ASSOCIATES are agreeable to offer their equipments, resources, experience and assistance to the BIDDER for the execution of the contract, if awarded;

NOW THEREFORE THIS AGREEMENT WITNESSETH AS FOLLOWS –

1. The ASSOCIATE permits the BIDDER to show his finance, tools, plants, tractors, trailers, pullers, other transportation equipment, measuring & monitoring Equipments (MMES), men and machinery etc. and experience (barging only) as part of the resources available to the BIDDER.
2. The ASSOCIATE undertakes to offer full co-operation to the BIDDER in the execution of the contract, if awarded.
3. The BIDDER agrees to undertake full responsibility towards M/s BEML Limited for the performance of the contract and shall individually remain answerable and liable to them without shifting any such liability upon the ASSOCIATE.
4. Nothing contained in this agreement shall constitute or be deemed to constitute a partnership, or joint venture between the Parties hereto and neither of the Parties shall have any authority or power (and shall not represent themselves on having such authority or power) to contract in the name of or to undertake any liability or obligation on behalf of the other Party. The relationship between the parties shall be strictly temporary and nothing contained herein is intended, nor shall it be construed as creating or requiring any other ongoing or continuing relationship or commitment between the Parties.
5. The BIDDER shall not be liable to the ASSOCIATE for the failure to obtain the Contract or for loss of contract or business opportunity, or for any indirect or consequential loss or damage.
6. It is agreed between the parties here that all the consequences liabilities etc. arising out of any default in the due execution of the said works shall be borne by the BIDDER. In WITNESS HEREOF the parties above named have signed this agreement on the day month and year first above written at _____ (Place)

Scope of Work

1. The drawings indicating the general arrangement of car body of the 'MRS1' Metro Cars are enclosed.
2. The Scope of Work of Loading, Transportation & unloading of 378 Nos of Completely built Metro Cars with quantity variation of additional 126 cars totaling to 504 Nos of Completely built Metro Cars from BEML Ltd, Bangalore complex to Designated Depot of at Mumbai. Charkop depot and Mandala depot are the likely depots. The delivery priority of the trains for different sections will be provided. Contractor shall have to make suitable changes in the delivery plan at the nominated depot at no extra cost to BEML.
3. The bidder are advised to use mobile crane of appropriate capacity to load the metro cars at BEML Bangalore Complex and un-load the metro cars at Mumbai Metro designated depots on "as is where is" condition. A detailed Unloading plan at the depot has to be submitted by the bidders along with the route survey.
4. **BEML Scope:** Lifting Wire Rope with Spreader Beam, Brackets, Fasteners & related items at both loading and unloading points.
5. **Vendor Scope:** Mobile Crane, Trailer, Puller, Saddles, lashing materials, Tarpaulin (scratch & water proof) & others required items for Loading, Transportation & unloading.

DETAIL SCOPE FOR WORK:

I. Lifting, Loading & Unloading Arrangement:

- a) To arrange fitment of lifting brackets at the specified points in the metro cars.
- b) Attach one side of the wire rope to the crane hook & ensure that the wire rope is not twisted. Locate Crane hook at the center over the Car.
- c) Descend the lifting Spreader slowly & carefully. Use extra ropes that are attached to the lower end of wire rope to protect scratches on the Cars.
- d) Attach the other side of the wire rope to the lifting brackets.
- e) Transporter must setup a signal communication between Supervisor & Crane operator and must follow the rule on set-up method, location of Crane on the ground etc.
- f) Make sure that Cranes hook is located over the center of the Car. If not, you must move the Spreader to the center of the car in order to avoid leaning of Car to one side, which is very dangerous.
- g) Raise the Cranes hook slowly & carefully and simultaneously monitor lower part wire rope is attached to lifting brackets.
- h) Ensure wire rope attached to lifting spreader is tight to protect Car body from rolling and avoid force pulling the rope which may lead to lean to one side.
- i) Position the trailer under the car when in lifted condition.
- j) Descend the Car slowly on the Saddles placed over the Trailer and load the car on the Trailer.

For BEML LIMITED

Dy. General Manager
Corporate Purchase

10
Sign & Seal of Bidder/Contractor

- k) Remove the wire rope attached to lifting brackets, lift the spreader ensuring ropes are protected to avoid scratches on the Cars and turn the crane arm to the other side to facilitate the movement of loaded trailer.
- l) Proper lashing of the metro car to be ensured.
- m) Cover the Car using Tarpaulin which should be scratch proof & water proof.
- n) Standard methods to be adopted for Transportation.
- o) Transportation of Metro Cars should be escorted to avoid accidents, damages, thefts etc.
- p) Follow the same methods for lifting & unload the car on the Rail at the depot. Ensure whether the direction is correct when unloading the car on the rail.

II. General Safety Compliance:

- a) Transporters must dispose site-overseers on site, where it is related to lifting and all of the workers have to under supervision.
- b) Removal of obstacles of no use around the loading site.
- c) Unauthorized persons who are not related to lifting should not access the site with the exception of main worker and if necessary provide setup guideline (or) safety fence for control.
- d) Arrange enough illuminators that can provide luminosity that can figure out objects in the dark when lifting of Metro Cars in late hours.
- e) Persons should follow the instructions who is in-charge of the activity when situations can't figure out whether to continue work or rough weather such as pouring rains etc under due approval from BEML management.
- f) Supervisors must instruct all the workers and related persons in method of working & safety.
- g) All workers & related persons must put on safety devices on site.
- h) Safety working required must be positioned on proper location around the lifting site to protect accidents.
- i) Ensure the overall inspection, supervision, security & protection during the entire activity.
- j) Manage all permissions, statutory requirements with concerned Govt. Authorities to carryout entire scope of work.
- k) Ensure availability of required statutory certificates/documents for mobile crane, Vehicle & Trailer registration, valid permits, driving license for the driver, permit/competency certificate for crane & crane operators. Insurance for vehicle, Trailer along with the driver, operators/persons involved during loading, transportation & unloading of Metro Cars.
- l) All the documents to be produced as & when required by BEML/Concerned authority.
